Sunset, Texas

Dear Sirs:

I have a sister living in Wichita Falls, Tex. that might have some valuable information on the mother of Lee Oswald.

If the story is correct she isn't as snow white as one might think. It could turn out to be very valuable information.

She lives at 210 Petrolia Highway.

Just across the highway from the Holiday Inn.

If you care to investigate this, she can tell you the man to see for your information.

Sincerely,

Cheta Coursey
